STRENGTH & CONDITIONING

The Gold Dome is equipped with a newly renovated strength and conditioning weight room that is available to all athletic teams. The facility is located on the upper level of the arena.

SPORTS MEDICINE

The Centenary sports medicine facilities are located on the lower level of the Gold Dome. The room provides student-athletes with a facility that accommodates their needs on a medical basis.

It houses a whirl pool, four tables and exercise equipment.

WILHITE MEDIA ROOM

The Donnie Wilhite Media Room is commonly used as a meeting and film room, study hall room, and a media room for events and press conferences held at the Gold Dome. The 32 capacity stadium-seated room is designed with a newly renovated and highly equipped film projector and sophisticated computer software for complete game scouting purposes.

ASSISTANT COACH

1st SEASON

WINZER AT A GLANCE

Jeremy Winzer enters his first year as the Ladies assistant coach. Winzer will aid in strength and conditioning, having served as a group fitness trainer. He has worked with athletes from Louisiana Tech, Mississippi College, Central Arkansas and Texas Wesleyan.

Ten of the 12 athletes under Winzer's instruction finished in the top five percent of their schools and were rated as some of the physically prepared by their coaches.

During the spring of 2012, Winzer helped coach the track and field team at Ruston Junior High School, where he worked as a Teacher's Assistant. At RJHS, he coached an 8th-grade javelin thrower that threw 178 feet, shattering the previous record held by now-All-American thrower Larry Jones.

Winzer coached at West Ouachita during the spring and fall of 2011 and winter of 2012 where he was the track, cross country, and soccer coach. During his time there, he led the track team to District & Regional Track meets (runners-up), where he also coached the fastest quarter-miler in the state. He helped lead the cross country team to its highest finish in school history (11th) after finishing 23rd (out of 24 teams) for four consecutive years. He also assisted in helping the boys' soccer program go from a 0-11 record to a 9-7-3 record to mark the program's first ever winning season and its first playoff appearance. He also coached a U17 boys Division I club soccer team during the spring of 2011.

Winzer's coaching career started at Ruston High School, being a vocal point in the coaching staff over both boys and girls. He was responsible for the strength and conditioning, goal-keeping training, and organization of practice sessions. He was there for three seasons, recording a combined record of 38-21-2 from 2008-2009 and 2010-2011. He earned Coach of the Year awards three consecutive seasons, three district runners-up, three tournament wins, two Division I signees, one Division II signee, and 14 academic all-state recipients.

Prior to entering Louisiana Tech University, he was a member of the track, cross country, and soccer teams, lettering and earning all-district, all-northeast, claiming a state title in track and field, and was ranked sixth in the state by three-mile time in cross country as a junior with all classifications combined. He was also a three-year member of the Shreveport United Soccer Club.

BEHIND THE NAME....LADIES AND GENTS

The history of the Centenary athletics nickname "Gentlemen" is quite unique. First established in the fall of 1921 by then-Centenary President George Sexton, it seems the football team had been in a fight the previous game, and Sexton sat the team down before the next game and told the players, "...from now on, you will all act like Gentlemen."

With the majority of Centenary men also soldiers, the moniker "Gentlemen" or "Gents" was a logical choice. A tongue-in-cheek account that first mentioned the new nickname appeared in the 1923 Yoncopin (Centenary's yearbook) in the football summary.

"...there was some doubt on the eve of the first game. Reports from the Marshall (Texas) camp had them recruiting from the boiler factories and we were made to believe that the Marshall team was coming to Shreveport to mop-up with the 'Gentlemen.' Well, we put on our best manners, but just couldn't help running up a 77-0 score..."

The nickname has stuck ever since and it was natural to call the women's teams the "Ladies" when the school began women's sports in the 1960's.

In December of 2007, the Centenary student body held a voting process in order to add an additional mascot to the traditional Ladies and Gents. Although Ladies and Gents remained the official nicknames of the Centenary athletics teams, Skeeter the Catahoula was chosen to provide an on-campus presence in the form of a true mascot. Unfortunately, in 2010-11, Skeeter passed away and Centenary chose to lay to rest the mascot as well.

The Southern Collegiate Athletic Conference (SCAC) was formed to provide an association through which the member institutions may encourage organized competition in intercollegiate sports among teams representative of their respective student bodies. Members of this conference share a commitment to priority of the overall quality of academic standards and quality educational experiences.

SCAC member institutions are committed to sponsoring a variety of varsity sports to maximize opportunities for student participation. SCAC schools also operate under the principle that participation in sports should be solely from student interest and enjoyment of athletic competition, and that no financial aid shall be given to any student which is conditional upon athletic ability or participation in intercollegiate sports.

SCAC member institutions support students in their efforts to reach high levels of performance by providing them with adequate facilities, competent coaching and appropriate competitive opportunities with students from similar institutions.

The SCAC is currently comprised of Austin College of Sherman, Texas; Centenary College of Shreveport, Louisiana; Colorado College of Colorado Springs, Colorado; University of Dallas of Irving, Texas; Southwestern University of Georgetown, Texas; and Trinity University of San Antonio, Texas.

The SCAC office is located in suburban Atlanta, Georgia.

ATHLETICS HISTORY

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 45 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In September 2003, Parish was inducted into the National Basketball Hall of Fame.

With its 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-seven players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted, Arkansas, Nebraska, Texas A&M, and LSU in Shreveport.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's

soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-01 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-03 season.

A 1998 graduate, Herb "Flight Time" Lang made his second appearance on reality television show, *Amazing Race*. The former Gent joined the Harlem Globetrotters following his college graduation and has been an instrumental face on the elite entertainment squad. Lang is most known for winning the 1998 NABC Slam Dunk Contest as a Gent.

With the addition of men's and women's swimming in 2002-03, Centenary now sponsors 16 intercollegiate sports. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, Centenary athletes have won the Summit League's prestigious Student Athlete of the Year award three times since joining the conference in the fall of 2003. Centenary has also been honored with the Summit League's annual Sportsmanship Award for the third time in 2009-10. In 2010-11, Centenary was presented with the Summit League's Top Academic Institution Award for the highest percentage of student-athletes maintaining a cumulative 3.000 over their career.

July 2011 marked the end of the NCAA Division I era as Centenary began its membership in NCAA Division III and the American Southwest Conference.

A SNEAK PEAK AT CAMPUS LIFE

TREK Experience

The Trek Experience is a graduation requirement encompassing exploration of CAREER, CULTURE and COMMUNITY.

The Trek Experience is driven by one clear mission:

To incorporate into the required curriculum distinctive, experience-based programs for students to enhance their self-knowledge and social awareness through career/graduate school preparation, intercultural engagement, and civic involvement. Toward these ends, the Trek Experience has four main goals to achieve:

- To integrate experiential learning into a traditional academic context, so that students can link classroom learning with practical application.
- To understand that social interaction is an integral part of education.
- To recognize their roles as citizens and leaders responsible for meeting the challenges facing an ever-changing world.
- To realize that personal reflection about their engagement with the world beyond the classroom can lead to real self-knowledge and social awareness.

Spiritual Development

The Christian Leadership Center (CLC) is an ecumenical, faith-based program committed to creating opportunities for Christian leadership development through the intersection of faith and academy. The Center is dedicated to theological study, innovative leadership training, interreligious and interdenominational dialogue, issues of peace and justice, spiritual formation and Christian discipleship.

Greek Life

During your college experience you have a unique opportunity to join the social network of a fraternity or sorority. This will be one of the most significant and rewarding choices you make. Here at Centenary, close to 25 percent of current students have found a second home in one of our seven Greek organizations. Centenary is represented by seven Greek organizations: Alpha Phi Alpha, Chi Omega, Kappa Alpha Order, Kappa Sigma, Tau Kappa Epsilon, Theta Chi, and Zeta Tau Alpha.

Community Service

For the past 3 years The Big Event has been a huge success for both the Centenary Community and for the adjacent Highland Neighborhood. With the help of many of you, this student led initiative has grown to be an important part of life at Centenary. Centenary staff, faculty, and students come together to help the surrounding community by cleaning yards, painting houses, and assisting in whatever way we can.

Residence Life

The Office of Residence Life and Housing is committed to enhancing student learning and personal growth. Centenary has five residence halls: Rotary, Cline, James, Sexton and Hardin Hall. All residence halls at Centenary include FREE laundry facilities, computer labs, vending machines, cable television outlets, a telephone jack for each resident, room furniture (including an extra-long single bed, chest of drawers, desk, and chair), closet(s), and free internet access via wired ethernet ports (or wireless) in each room. There are no community bathrooms at Centenary; each student shares a bath with the others in their suite.
